

DURAGLOW

EXTRA BRIGHT, HIGH NIGHT TIME REFLECTIVITY DAY TIME GLOW WITH SPECIAL BRIGHTENERS.

Glossy, high solids, extra reflective, safe for the environment and user. Safe for use on all substrates including all varieties of natural grass and synthetic turf aerosol paint. Use **DURAGLOW** as high-performance aerosol athletic field line marking and reflective traffic line striping paint. **Use to paint bright, durable, reflective lines and logos on Soccer, Football, Lacrosse and Baseball fields. Stripe bright, reflective traffic lines on streets, parking lots, driveways and warehouses.**

Priced by the case-Twelve cans 18 oz by wt., 20 oz by vol.

This high-performance, proprietary paint formula is specially designed. **DURAGLOW** paint has more shine and gloss than conventional aerosol marking paints. It is enhanced with extra **BRIGHTENERS** and **RESINS** for **extra DAYTIME GLOW and exceptional NIGHTTIME REFLECTIVITY** under stadium lights. It is formulated to have the lowest VOC's (Volatile Organic Compounds), the highest percent solids, highest brightness, and the most durability than any paint in its category. Designed to be safe for the environment and user. **Paint will not harm, kill or brown any type of natural grass.**

Aerosol cans will spray crisp, sharp lines, and will empty completely and not clog! It is packaged as twelve 20 ounces by volume, 18 ounces by weight cans per case with a divider between cans for extra safety.
