

# WHITE TIGER

## HIGH PERFORMANCE, ECO-FRIENDLY, ZINC FREE, GREEN FLOOR FINISH-WAX-POLISH.

High performance, low odor, floor wax-finish-polish that is zinc metal free, environmentally safe. Forms good initial gloss that does not fade. No hazing or other drying issues even though it is zinc free. Forms a high scuff resistant, tough, durable, protective finish that can be buffed, or high speed burnished. **Available in zero VOC, zero phosphates, zero metal cross-linkers versions. Safe for use on all flooring materials including VCT, synthetic tiles and laminate floors.**

*priced by the gallon. Packaged in 1 gallon or 5-gallon containers.*

**WHITE TIGER** is high performance, eco-friendly, zinc free, green, proprietary floor finish-wax-polish specifically designed to form a strong, tough, durable, protective finish without the use of heavy zinc metal cross-linker. This floor polish is easy to use, spreads and performs well and is completely strippable. We recommend waiting three days before burnishing. Wet film can be forced dried with fan. Upon request can be formulated in zero VOC, zero phosphates, zero heavy metals. Contains NO METALS that are a problem for waste water treatment plants.
